

August, 2010

Welcome to the Rockwood Swim Club. It promises to be another exciting year. If you are new to the club, we are happy to have you and look forward to getting to know you. If you are a returning family, welcome back and let's get ready for the new year.

Last year was amazing for all of our swimmers and coaches. We had some great accomplishments by our swimmers and are looking forward to bigger and better this year. We have the best coaching staff around and it is an honor to have them working with our kids.

This year, I want to challenge all our parents to get involved. It takes a lot of help to make the team be so successful. We are always in need of volunteers for a variety of jobs. I always enjoy knowing that our meets run so well because of parent participation. That being said, we can always use extra help. Contact any of the board members and we can help find a job that is right for you!

Your registration information contains everything you need to register and important information from the Parent's Association. Pay close attention to the parent and athlete code of conduct. As part of the Community Education Department of the Rockwood School District, there are certain expectations for the behavior of our members. Please review them and adhere to them at all times.

Fundraising is very important to our club. There is information enclosed with various ways you can meet your obligation. There is also a pledge/contribution form for the 50 meter pool. Our facility was built with personal contributions of many families in our organization. It makes our ability to train on an entirely different level than many local teams. There is still a large loan on the facility and we will continue to seek donations until it is paid in full.

Finally, please mark your calendar for Sunday, September 12 at 3:00 for this year's Parent Association kick-off event at Crestview Middle School. This meeting is not only important for new swimmers but also returning swimmers. New information for the upcoming season will be discussed.

We are all excited and looking forward to a great 2010-2011 season!!

Sincerely,

Angie McLaughlin  
President Rockwood Swim Club Parent's Association

### **Frequently Asked Questions**

#### **What is Electronic Withdrawal?**

EFT (Electronic Funds Transfer) is a paperless alternative to writing checks. You simply pre-authorize your payments to be made automatically and electronically by your financial institution.

#### **What does Electronic Withdrawal offer me?**

EFT allows you to make your payments without having to remember to write checks every month. EFT payments happen on time, every time.

#### **How much does it cost?**

EFT doesn't cost you anything. You receive all these benefits absolutely FREE.

#### **When is the payment transferred from my account?**

The automatic transfer is always made on the same day of each billing period. The automatic withdrawal will occur on the 5th of each month or the closest banking day to the 5th if that date falls on a weekend or holiday.

#### **How will I know that my payment has been made?**

Your payment is clearly itemized on your bank statement.

#### **What if I disagree with the charges?**

The amount collected is transferred automatically from our billing system to ensure accuracy. We can still easily review the charges with you and make adjustments if necessary.

#### **Who has access to my account?**

No one but you and your financial institution. To use EFT, you authorize your financial institution to make the payments. Your financial institution automatically makes your payment on your behalf, but only with authorization. Consumer safeguards for EFT make it more secure than conventional payments.

#### **Can I cancel the service?**

Yes. You can cancel at any time if you end your membership with the Rockwood Swim Club or change your payment schedule and make one payment per year.
